Central NM Science Olympiad

This is a STEM (This is a Science, Technology, Engineering and Math) related program. The Central NM Region Science Olympiad mission is to improve the quality of K-12 science, technology, engineering, and math education throughout the region via team competition. The Science Olympiad Vision to accomplish this mission is: To create a passion for learning science by supporting elementary and secondary Science Olympiad tournaments at building, district, county, and regional levels with an emphasis on teamwork and a commitment to excellence.
