UNMH Maternity and Family Planning Clinics (M&FP)

Offers prenatal care and family planning. We are a federally funded family planning and obstetrical care clinic. We strive to provide the best care to women. It is inclusive care for prenatal and family planning for women of all ages. We strive to provide education to prevent disease and promote good health for all women. Our doors are open for you! Offers prenatal care and family planning. All women regardless of their legal status can receive assistance with EMSA forms (category 85) to pay for baby/s delivery. They can fill out the forms before or immediately after the delivery. M&FP also offers the WIC (Women Infants and Children) program for mothers to receive milk, cheese, eggs, cereal, and other items until the child is five. Social Services, Nutrition counseling, Referral for other Medical Services via UNM Hospital and discount programs.
