Parent Organization

Wagon Mound Bean Day Association

Mission Statement

The *Wagon Mound Bean Day Association* works to create, promote, and manage programs and projects that advance the historical, cultural, and agricultural, education and awareness of citizens in and around our Wagon Mound community. We do this through the creation and distribution of information, and the origination, sustainment, and management of events, especially the continuance of the annual Bean Days celebration — which in addition to many events and activities, such as a parade, rodeos, and dances, includes a free beans and beef barbeque meal prepared and served at no cost to all who attend.

Adopted by the Wagon Mound Bean Day Association, July 8, 2010

*PO Box 216
