## Comcast Digital Media Studio at WESST

Construction is COMPLETE on the Comcast® Digital Media Studio at the WESST Enterprise Center in downtown Albuquerque. Comcast, The State of New Mexico, the City of Albuquerque, the federal Economic Development Administration and private donors and contributors to WESST participated in the development of the WESST Enterprise Center which houses the Comcast Digital Media Studio.

Designed primarily with economic development and job creation in mind, the studio will function as:

- A site to record and edit e-learning content to assist young entrepreneurs
- A studio to assist nascent film makers create documentaries and film projects as well as for companies developing on-line video for their websites
- A recording studio for advertising and marketing companies with their advertisement creations
- A professional site for filmmakers needing a small, green screen cyclorama wall
- A community meeting site for presentations and streaming synchronous video and audio
- A video screening room with 1080p projector and 42-seat retractable seating system

Submit an [inquiry](#) for studio information related to your upcoming project.

## Parent Organization

### WESST

WESST is a statewide 501c3 organization that is committed to growing New Mexico's economy by

cultivating entrepreneurship. Our passion, counsel, hard work, experience and commitment are the inspiration and behavior model we offer our clients so that they can realize their entrepreneurial dreams and achieve economic success. Our mission is to be a home to entrepreneurs. We provide a support system for our clients so they can successfully grow their business through market penetration, job creation, and capital accumulation. Via its capacity-building services of business training, consulting, incubation and access to capital, WESST has delivered services to over 37,650 New Mexicans, which in turn have created 4,855 new jobs and facilitated the start of 2,530 businesses since its founding in 1989.
