La Escuelita After School Program

La Escuelita is an after school program for grades K-5 at Whittier Elementary in Albuquerque, New Mexico. We serve the students of the school and their families. There are many different categories that could be used to describe our program, but here, we are focusing on, and currently working towards, building a garden for the students and their families to access. We would love for it to one day be available to the community during certain hours.

Details

Minimum Age: 5

Maximum Age: 11

Restrictions: Program is aimed towards youth, but once garden is established, our goal is to have it available to the community at certain times.
