# YDI Early Childhood Education (ECECD) Home Visitation Program

Funded through the ECECD, Home Visitors interact with families to promote confident parenting and healthy child development by supporting the relationship among the family, the home visitation specialist, and the community. YDI ECECD Home Visitors visit once a month. Applications can be completed over the phone or in-person.

The Youth Development Inc. Home Visitor will:

- Visit with you in the comfort and convenience of your own home
- Offer support and listen to the unique needs of your family with an encouraging, non-judgmental attitude
- Answer questions and share information about prenatal health, newborn care, and child development
- Help connect you with resources in your community
