Before & After School Care

The YMCA of Central New Mexico's school-age extended day learning fills your child's before and after school time with creative and constructive opportunities. Through our program, school-age children participate in individual and group activities that extend the learning experience.

The YMCA of Central New Mexico is the state's largest child care provider, with over 20 early learning, pre-school and afterschool centers. We are dedicated to providing high-quality, affordable child care that nurtures children's healthy social, physical, and mental development. When children enter our Before & After School program a world of imagination and growth opens up.

In addition to supplementing what children learn in school, they will also:

- Participate in interactive learning models that engage critical thinking skills
- Get assistance with their homework from trained Y staff
- Form long-lasting friendships that enhance their development, growth and self-confidence

Registration

What You'll Need:

- 1st weeks payment or copy of CYFD contract
- Current copy of your child's shot records (we will not carry over shot records from summer program)
- Completed registration form (available at the membership desk)

Parent Organization

YMCA of Central New Mexico

For over 100 years, the YMCA of Central New Mexico (the Y) has served Albuquerque as a cornerstone community organization and gathering spot for all generations and cultures. The Y's mission is to inspire individuals to achieve their full potential by delivering the highest quality programs and services for Youth Development, Healthy Living, and Social Responsibility.

The Y's three areas of focus are:

* Youth Development: The Y believes that all youth deserve the opportunity to discover who they are and what they can achieve. Each year, the Y helps nearly 6,000 youth cultivate the values, skills, and

relationships that lead to positive behaviors, better health, and educational achievement.

* **Healthy Living:** The Y is a place where people can learn a new skill or hobby, foster connections with friends through lifelong learning, or participate in family-centered activities that promote health inside and out.

* **Social Responsibility:** The Y fosters care and respect for all people by addressing community needs, including developing skills or emotional well-being through education and training, welcoming and connecting diverse demographic populations through sports, and preventing chronic disease and building a healthier community through fitness.
