Community Aftercare Program (CAP)

ZRC CAP is a social cafe style environment for people in recovery from substance use disorder looking for a safe place to hang out. Outpatient groups are held 3 nights per week. Peer services are available every weekday. Membership is contingent on enrollment and completion of the ZRC CAP Evening Outpatient Program.

Parent Organization

Zia Recovery Center

We know, from a personal standpoint, what individuals go through in their efforts to seek recovery. Zia Recovery Center was founded by individuals in recovery.

We offer our clients the opportunity to work with our highly trained, compassionate staff who focus on individualized, holistic treatment for drug and alcohol addiction.
